

Finance Director

[Back to job list](#)

Job Description

Rolling Plains Management Corporation is seeking applicants for a Finance Director in its administrative office in Crowell, Texas.

Rolling Plains is a nonprofit that provides various community services to persons in North Texas including early childhood development programs, public and medical transportation, and assistance services to low income families.

The Finance Director will serve as the primary advisor to the Executive Director on financial matters and will be responsible for overseeing all fiscal and fiduciary responsibilities. The Finance Director will combine operational and strategic roles, manage accounting and financial control functions, and establish a financial strategy for Rolling Plains. Key responsibilities including budgeting, financial analysis for grants, financial reporting, cash management, procurement and managing the day-to-day accounting functions.

Bachelor's Degree in Accounting, Finance, Business or related field required with a minimum 5+ years financial management or accounting experience. Experience in non-profits and/or government grants highly preferred.

Interested persons may apply online at www.rollingplains.org. Position will remain open until filled. Rolling Plains is an equal opportunity employer and provider.
